

**Boots 'n' Buckles Dance Club
Playlist
May 29, 2009**

Hi Group: Below is the playlist from Friday night at Boots N Buckles. We had a really nice crowd for our last night at PUMA, it is with heavy hearts as DJ's that we have to leave this lovely club. I understand the neighborhood has some problems but the PUMA group were a wonderful supportive group, always cheerful about our being there and always there nice and early for us to set up. I understand the new hall is beautiful and a very nice neighborhood hopefully we will once again be able to draw nice big crowds to build the club up to what it once was....Make sure to Go to the new gym next Friday in Fremont... I understand it is less than 2 miles from Swiss Park...Diana
